

## AKRON RCC CIVIC ASSETS:

1. Civic Gateway
2. Park East
3. Summit Lake Park

Civic Gateway

1.

### Civic Gateway:

Located on the northern end of downtown, the Civic Gateway is comprised of a variety of recreational and social amenities, including the Akron Civic Theatre, Lock 4 Park, Cascade Plaza and the Akron-Summit County Public Library, as well as the workplace of thousands of employees.

2.

Park East

### Park East:

Located between our other two assets, this neighborhood is home to a variety of people, including homeowners, renters and senior living.

3.

Summit Lake Park

### Summit Lake Park:

Once the "million-dollar playground," Summit Lake is now largely an area marked by disinvestment, remembered only as a dumping ground for factories and for long-held negative perceptions of safety.
