

Delivering the Common Good Through the Public Realm

Reimagining
the Civic Commons

Through three core practices, public spaces like parks, libraries and main streets are transformed into places that build social connection, trust and community.

PORTFOLIO APPROACH

Manage public spaces as a connected network of assets.

OUTCOMES ORIENTATION

- Civic engagement
- Socioeconomic mixing
- Environmental sustainability
- Value creation

COMMITMENT TO COLLABORATION

Innovate and work together across sectors, organizations and cities.

THE RESULT

A more engaged, resilient
and welcoming city.
